## EXPERIENCE

### React Native Developer

**ICICI iMobile: Banking App [TCS]**

📅 06/2023          📍 Pune

- Designed, developed, and maintained the iMobile Pay app using React Native, ensuring a seamless user experience through robust and user-friendly features, intuitive interfaces, and real-time data integration with backend APIs.
- Spearheaded testing and debugging efforts, guaranteeing high performance, reliability, and security, while providing technical support and troubleshooting assistance to ensure smooth app operation and safeguarding user data and transactions.
- Drove agile development processes, actively participating in sprint planning and daily stand-ups, and successfully delivering multiple app updates on schedule, resulting in enhanced user experience and app performance.
- Implemented new features and optimized existing ones, leveraging React Native's capabilities to increase user engagement by 25% and reduce crash rates by 15% through rigorous testing and continuous integration practices over a six-month period.

### React Native Developer

**Hdfc MobileBanking App [TCS]**

📅 02/2022 - 05/2023          📍 Pune

- Developed and maintained HDFC Bank's mobile banking application using React Native, enhancing user interface and experience through iterative design and implementation.
- Integrated backend APIs to deliver seamless functionality and data retrieval, and conducted thorough testing to ensure robustness.
- Contributed to agile development sprints, leading the implementation of key features that improved user engagement and retention metrics, resulting in a 25% increase in user retention rates over six months.
- Optimized app performance, reducing load time by 20% and ensuring cross-platform compatibility.
- Successfully resolved critical bugs and issues, resulting in a smoother user experience and higher client satisfaction ratings.

## EDUCATION

### Masters in Business Administration

**Savitribai Phule Pune University Pune**

📅 09/2022 - 06/2024          📍 Pune

- Completed MBA in Information Technology and Management through distance learning.
- Minor in Data Analyst / Business Analyst, CGPA: 8.01

### Bachelors of Engineering (BE)

**Savitribai Phule Pune University Pune**

📅 01/2017 - 08/2021          📍 Pune

- Graduated with First Class distinction and a CGPA of 9.03.

## SUMMARY

Highly accomplished React Native Application Developer with 3 years of experience, adept at designing and developing intuitive, scalable, and high-performance mobile applications for Android and iOS platforms. Leveraging expertise in seamless UI design, third-party API integration and advanced features like Redux and React Navigation, I deliver bug-free applications with strong platform-specific knowledge, ensuring optimal performance and cross-platform compatibility.

## SKILLS

### Technical Skills

React Native    React Js    HTML    Git

CSS3    JavaScript (ES6+)    Redux

NodeJS    RESTful APIs    TypeScript

Bootstrap

### Database Skills

SQL    MYSQL

### Project Management Tools

JIRA    Debugging    Testing

Continuous Integration / Continuous Deployment (CI/CD)

### Development Tools

Visual Studio Code    Xcode

Android Studio
